GUARANTEED ANALYSIS

Sulfur (S).....	8.0%
Boron (B).....	1.5%
Copper (Cu).....	1.5%
1.5% Complexed Copper	
Manganese (Mn).....	3.5%
3.5% Complexed Manganese	
Zinc (Zn).....	6.0%
6.0% Complexed Zinc	

Derived from Disodium octaborate, copper sulfate, manganese sulfate, and zinc sulfate.

Complexed with lignosulfonate.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS

6% Humic Acids derived from Leonardite

F002331

**DANGER - Harmful if swallowed. Causes serious eye damage.
May cause damage to organs through prolonged or repeated exposure.**

PRECAUTIONARY STATEMENTS

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Do not breathe dust/fume/gas/mist/vapors/spray. If exposed or concerned, get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor/physician.

IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Rinse mouth.

GENERAL RECOMMENDATIONS

Multi-Com Granular Plus 2 is recommended for application to soil¹ to correct Boron, Copper, Manganese, and Zinc deficiencies, as determined by petiole and soil testing, in field, vegetable, tree, vine, turf, and ornamental crops. For best results apply in a band with starter fertilizer at seeding time. Broadcast methods and spot applications are also effective. A second application may be applied as a side dressing with rate recommendations from your Certified Crop Advisor (CCA).

¹DO NOT APPLY this product as a liquid foliar. It is not designed to be dissolved and used as a foliar spray or applied via fertigation.

BORON WARNING

Over-application or excessive use of boron can result in boron toxicity. This may cause foliar damage or serious crop injury. The proper use of soil test recommendations will minimize the risk of over-application of boron.

DIRECTIONS FOR USE

Banded Application	
Deficiency Level	Rate ¹ (lbs./A)
Mild	5
Moderate	10
Severe	14

¹Contact your CCA for specific recommendations for your area.

Broadcast Application¹

Crop Type	Rate ² (lbs./A)
Field, vegetable, and permanent crops	5 1/2-17
Tree and vine crops	5-11
Turf ³	5-10

¹If broadcast rates are used for spot or banded application, phytotoxicity may result.

²Contact your CCA for specific recommendations for your area.

³DO NOT USE on bent grass or golf course greens.

Spot Application

Crop Type	Rate ¹ (Oz./in. stem diameter)
Ornamental Shrub	2 1/2
Tree and vine crops	1-2 1/2

¹Contact your CCA for specific recommendations for your area.

USE PRECAUTIONS KEEP OUT OF REACH OF CHILDREN

User assumes full responsibility to ensure product, equipment and plant compatibilities. Personal protective equipment recommended. In the event of a spill, clean-up promptly using trained personnel and pre-planned procedures. Consult Safety Data Sheet for further information.

STORAGE AND HANDLING

Store locked up in a cool, dry place. Keep container tightly closed and out of direct sunlight during storage for extended amounts of time. Do not add water or other material to the container. Do not contaminate water, food, or feed by storage or disposal. Dispose of contents/container to an approved waste disposal plant.

WARRANTY

Verdesian Life Sciences U.S., LLC warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use.

VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
