

STICK-IT

REV 02/17 A2 GHS
FFN 00107

Target Market
VEGETABLE CROPS

Target Usage/
Application

EXTENDER-STICKER

EXTENDER-STICKER

INGREDIENTS

Principal Functioning Agent

Pinene Polymers.....	88.4%
Constituents ineffective as spray adjuvants	11.6%
Total	100.0%

DANGER

Harmful if swallowed. Causes skin irritation and serious eye damage.

PRECAUTIONARY STATEMENTS

Wash face, hands and any exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

For specific treatment, please see Safety Data Sheet.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth.

GENERAL INFORMATION

Stick-It is a proprietary blend of terpene polymers and emulsifiers designed for use with pesticides and soluble fertilizers. This unique chemistry causes **Stick-It** to form an elastic film that keeps the enclosed chemicals in contact with the plant surface. This film reduces pesticide and nutrient loss and often enhances activity of those chemicals. In addition, the **Stick-It** film improves retention of pesticides and foliar feeds on plant surfaces even during rain or sprinkler irrigation.

Stick-It will not foam, freeze, or clog nozzles, and may be applied by aircraft or ground sprayer.

Stick-It requires at least one hour of sunlight for the film to set. Therefore it must be applied during daylight, and at least one hour before irrigation or anticipated rain.

Stick-It is not for aquatic use.

In all cases it is recommended that a jar test for compatibility be conducted, mixing each product in the same ratios as to be field applied.

DIRECTIONS FOR USE KEEP OUT OF REACH OF CHILDREN SHAKE WELL BEFORE USING

To improve the activity and efficiency of pesticidal sprays, apply 4 to 6 ounces of **Stick-It** per acre.

To improve the absorption and retention of foliar fertilizers, apply 4 ounces of **Stick-It** per acre.

For use in air blast sprayers or hydraulic gun sprayers, apply 4 to 8 ounces of **Stick-It** per 100 gallons of water.

For vegetable crops, apply 4 to 6 ounces **Stick-It** per acre.

Note: Do not apply to food crops within 30 days of harvest except as follows: **Stick-It** can be used with copper fungicides, *Bacillus thuringiensis* products and other tolerance exempt pesticide on food crops up to harvest.

Use of **Stick-It** with these exceptions may result in visible residues on crops which may render the crops unsellable.

MIXING INSTRUCTIONS

Fill the spray tank half full with water, then add other desired components to the tank while agitating the mixture. Premix **Stick-It** with more water and add while the tank continues to fill. Agitate mixture continuously while the tank is filling. Use clean water to rinse spray equipment immediately after spraying. Though some residue may remain in the tank, it will help prevent rusting and corrosion and will not clog nozzles next time the sprayer is used.

USE PRECAUTIONS

Hazardous to humans and domestic animals.

Do not apply this product to non-target surfaces and do not allow spray to drift. Permanent damage may occur on porous surfaces. On non-porous surfaces, remove spray immediately with soap and water while the spray deposit is still wet. Dried deposits on painted car surfaces can be removed using standard tar remover products designed for use on cars.

Do not apply when the weather is hot, windy, or wet. Apply only when you are certain that the application will give you the desired result.

Do not allow spray drift or rinse water from spray tank to contaminate surface waters.

STORAGE AND DISPOSAL

Store in original container only. Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option for container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers may be disposed of in a sanitary landfill. Dispose of contents/container to an approved waste disposal plant.

WARRANTY

Verdesian Life Sciences U.S., LLC warrants that this Product conforms to the specifications set forth on the label. This Product is reasonably fit for the purpose stated on the label when used in accordance with the label directions and instructions under normal conditions of use.

VERDESIAN NEITHER MAKES, NOR AUTHORIZES ANY AGENT, REPRESENTATIVE OR THIRD PARTY TO MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, QUALITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Neither the warranty of merchantability nor fitness for a particular purpose, expressed or implied, extends to the use of this Product contrary to label instructions or under abnormal conditions or under conditions not foreseeable to the Seller or Verdesian.

Limitation of Remedies. The exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories), shall be limited to, at Verdesian's election, one of the following: (1) replacement of the amount of product used; or (2) refund of the purchase price paid for the product; provided that Verdesian's provision of (1) or (2) is conditioned on its first being promptly notified of such loss or damage in writing. Verdesian shall not be liable to the buyer or any other party claiming by, through, or under the buyer for any other losses or damages resulting or relating to this product, including but not limited to any direct, indirect, special, punitive, economic, incidental or consequential damages or loss of profits, whether in contract, tort or otherwise. Verdesian neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale, storage, use or handling of this product other than expressly set forth herein.
