

APPLICATIONS:

Apply Seed+ Dry to the seeds before planting. Application should be made in such a way that all seeds are thoroughly coated. Fill seed hopper box half full of seeds, apply half of the recommended dosage of Seed+ Dry and stir completely. Fill the hopper box with the remaining seeds, spread the balance of the recommended dosage of Seed+ Dry on top of the seeds and stir again. Keep seeds dry until planting.

RECOMMENDED APPLICATION RATES

CROP	APPLICATION RATES	
	oz per 100 lb seeds	kg/100 kg seeds
Alfalfa	4	0.25
Barley, oats, rye	4	0.25
Corn	8	0.50
Cotton	12	0.75
Milo, millets, sorghum	10	0.625
Peanuts	4	0.25
Rice	4	0.25
Soybeans	4	0.25
Sugar beets	8	0.50
Sunflowers	4	0.25
Wheat	4	0.25

DANGER: Causes eye irritation. May cause cancer. May cause damage to organs through prolonged or repeated exposure if inhaled.

WARNING: This product can expose you to chemicals, including silica, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

NOTICE: Application of products containing molybdenum may result in forage crops that contain levels of molybdenum that are toxic to ruminant animals. The proper use of soil and/or petiole test recommendations will minimize the risk of over-application of molybdenum.

PRECAUTIONARY STATEMENTS: Keep out of reach of children. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe dust. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear eye protection/face protection. Wear protective gloves. If exposed or concerned, get medical advice/attention. Get medical advice/attention if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice.

Store locked up. Dispose of contents/container in accordance with local regulations.

STORAGE: Store in a clean, dry place at temperature between 40°F (5°C) and 110°F (43°C). Do not store in direct sunlight. Keep container tightly closed. Do not store diluted product.

IMPORTANT NOTICE: Read the entire label. Use only in accordance with the label instructions. If terms of limited warranty are unacceptable, return unopened product at once. Use in conjunction with a normal fertilizer program. Seed+ Dry is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the nutrients normally required by plants.

LIMITED WARRANTY: Cytozyme Laboratories, Inc. warrants that this product conforms to the description on the label within customary industry standards. The conditions and methods of handling are beyond the control of Cytozyme Laboratories, Inc. As such, this warranty extends only to the identity and composition at the time of delivery. Cytozyme Laboratories, Inc. expressly disclaims liability for any loss connected with misuse of this product. (This limitation of warranty is void where prohibited by law.)
